**Forecast for Monday 19 Apr 2021**

**Weather:** Dry with a few clear spells during the early hours of Monday, with a touch of grass frost and some short lived mist patches in the valleys around dawn. It will stay dry throughout the day, with areas of high cloud making sunshine hazy at times, and with some fair weather cloud developing late morning onwards. Cloud is expected to remain clear of the summits and it should feel warm in the sunshine. Remaining dry with some clear spells through the evening.

**Chance of cloud free mountain/hill tops above 800m:** 100% with cloud staying clear of the summits.

**Visibility:** Any valley mist may briefly obscure views of nearby hills first thing, but otherwise visibility will be excellent with distant hills and landmarks visible.
